

Just a few testimonials from this year's cruise:

"This was my first cruise with BookMeATrip, but definitely not my last. I don't have the words to describe what a terrific time we had: amazing, awesome, great, fun, exhilarating..... I had the best time I had ever had on a trip. It seemed as if the whole cruise crew catered to our group. I'm ready for my next one!"

"The cruise was an awesome experience. The people and the places were interesting. Everything was taken care of and no details were left out. This was by far the BEST vacation I ever took and I wouldn't think twice about doing it again."

"Book Me A Trip did an excellent job planning this cruise. Everything was done professionally and on time. Our packets arrived and they had all the information needed. The email tips and updates were great and seemed to always come right when I was thinking about them. Had a fantastic time on the Cruise, Bob and Huguette made sure we were having a good time and the cocktail party and private room to dance in were great touches. Two thumbs up, Bob and Huguette, can't wait until next year!!"

- R. Johnson

5 YEARS RUNNING & GROWING STRONG!
8 Day Exotic Western Caribbean Cruise
 Wednesday Jan. 4th - Thursday, Jan. 12th, 2006

BELIZE

This tropical paradise promises adventure, both onshore and off. Crystalline rivers flow through impressive lowland jungles, home to a myriad of rare wildlife. Silky sand beaches, waving palms and colorful coral gardens are just part of Belize's natural wonders. Whether mountain biking through a lush rainforest or snorkeling with sharks, you'll experience things you've only imagined.

PANAMA

There's more to Panama than the canal. Panama's ethnic mix is reflected in its arts. This is a proud nation that honors its many Indian tribes and its rich Spanish legacy. You can shop for traditional arts, such as wood carvings and ceramics, tour an Embera Indian village or take part in a peaceful kayaking trip. One thing is sure - once you've embraced Panama, you'll find it hard to leave.

COSTA RICA

The lush, peaceful country of Limon, Costa Rica, has long been a well-kept secret among biologists and beachcombers. And it's easy to see why. More than 27 percent of Costa Rica's amazing terrain is designated as national park, biological reserve, wildlife refuge or some other category of protected area. Home to hundreds of thousands of species of exotic flora and fauna, this special fertile land is also a haven of spectacular beaches that stretch for miles, jungle rivers perfect for white water rafting and kayaking, and wonderful historic ruins.

Our yearly cruises are known for their variety of cultures, enjoyment and impeccable organization. It's an ideal setting for : Family reunions, Family vacations, Reunions with old Friends, Company Trips/Rewards, Engagements, Proposals, Honeymoons, Tropical Marriages (yes we do that!), and much more!
